Lady Emma Louise Phillips gave a six o'clock tea Friday afternoon, Dec. 28, to a few of her friends at her home. Christmas decorations were in evidence. The large red bell which hung in the middle door, with a shower bunch of mistletoe hanging from it, gave the idea of the color scheme, which was carried out as near as possible. The dining table was lighted with two silver candelabras, holding green and red tapers, and in the middle green leaves fringed a silver waiter filled with red apples mounted with a silver pot filled with ferns. The following program was rendered:

LYNCHING CASE AT ARREST STAGE

Uncle Sam to Take Hamilton's Sheriff Into Custody.

OTHER ARRESTS TO BE MADE.

DEPUTY SHERIFFS ACCUSED OF PERMITTING THE LYNCHING OF ED. JOHNSON AT CHATTANOOGA, AND MEMBERS OF MOB TO BE ARRESTED. VIGOROUS PROSECUTION OUTLINED.

Chattanooga, Tenn., Jan. 7.—(Special.)—The final and most serious step in the contempt proceedings before the United States Supreme Court against Sheriff J. F. Shipp, a number of his deputies and a half score alleged members of the mob that took Ed Johnson, from the county jail on March 19, and hanged him to the Tennessee River bridge, has been taken in motions made by the Attorney General for the arrest of the defendants and for taking the testimony either before the Supreme Court or before a Commissioner appointed for that purpose. The attorneys for the defense announce that they will not resist the motions, and orders for the arrest of the parties accused of contempt are expected at any time.

When the cases were first brought the attorneys for Sheriff Shipp and the other defendants set up a plea that the Supreme Court had no jurisdiction, but the decision was rendered to the contrary, and the cases will now be tried on their merits. It is intimated that a Special Commissioner will be sent here to take the testimony, and that the Government will be represented in the hearing by Solicitor General Henry M. Hoyt, who has conducted the case up to this time.

The Government has secured a long list of witnesses, which include newspaper men and others who were on the bridge when Johnson was lynched. He was convicted in the Circuit Court here, and his attorneys (white) made no effort to appeal the case. Negro lawyers then took a hand and appealed to the United States Circuit Judge for a habeas corpus, which was denied. An appeal was made to the Supreme Court and granted by Justice Harlan. Two days later the action of Justice Harlan was ratified by the court, and that night Johnson was lynched.

MASONS GO TO COURT.

Frederick Swanson Says Expelled Members Won't Give Up Property.

On Thursday morning in the Chancery Court Frederick Swanson filed a bill against A. Bunch, William Snyder, Richard Johnson, Jim Hill, Samuel Johnson and Price Redman, in which the defendants are enjoined from retaining possession of the building and property at 413 1-2 Fourth avenue, North. The complainant Swanson avers that he is the Worshipful Master of Hiram Lodge, Free and Accepted Ancient York Masons, and likewise District Deputy Grand Master for the State. He charges that the defendants have been expelled from the order, but that they refuse to surrender the records, seal and other property of the lodge.
